Spring Newsletter 2018

2018 is proving to be a very busy year for Beloved Saint Germain's "I AM" School. So far in the first three months of 2018 we have done a lot of rehearsing for our Washington's Weekend patriotic play—singing patriotic songs, practicing handbells; had skiing and snowboarding lessons; we have students practicing Irish dancing and musicians practicing harp for our big Saint Patrick's Day celebration; all the while keeping up a full academic schedule.

Our Washington's Weekend patriotic play was a smashing success. This time we honored our Beloved Saint Germain as the Unknown Patriot, our Beloved Daddy in His embodiment as George Washington, and the Founding Fathers who wrote and signed the Declaration of Independence. Our opening scene took us back to the Continental Congress in the spring of 1776; and we began with a rousing rendition of "Sit Down John" from the musical 1776. Then we had Thomas Jefferson (having just finished writing the Declaration of Independence) express his concerns to John Adams and Benjamin Franklin, and once again they broke into song, singing "The Egg" from the musical 1776. Then it was back to the Congress, where the delegates were having second thoughts about signing the Declaration,

and Nicolle Colocho,
with Miss Katrin.

and in walked Beloved Saint Germain as the Unknown Patriot to inspire and spring the delegates into action. We are so grateful for the foundation that our Beloved Saint Germain, the Beloved Goddess of Liberty, our Beloved George Washington and all of the Founding Fathers laid for our Blessed America.

We are also so very grateful that we were able to honor our two seniors: Annoushka Davis-Clare and Adolfo Martinez in our Ring and Cape Ceremony as they received their

amethyst rings and Indigo Capes; and our extended Studies' Student, Aristide Wilkes received his Indigo Cape. Our Ceremonies are always so priceless to us as our Principal, Beloved Saint Germain is Head of the Ceremonial Ray. We are so grateful for the Love and Light He continually pours forth.

God Bless our Beloved
George Washington!

Ring & Cape 2018

The Ring and Cape Ceremony was very special because of the Gifts I received, along with my other two classmates. "I AM" very lucky and blessed to have received a Ring and Cape from our Beloved Master Saint Germain because I know that He chose me to come and graduate from His School and go forth in the world with His precious Gifts. It is also very special because of all the "I AM" Students who come to be a part of the Ceremony; as well as for the alumni to be there and see another youth obtain the Gifts that they once received.

Adolfo Martinez
2018 Graduate Student

I enjoyed my Cape Ceremony very much. It was a very thrilling experience to get my Cape. The Ceremony was very powerful and full of Radiation. I loved that so many people came just to see us.

Aristide Wilkes
2017/18 Extended Studies Student

Finally the moment that I worked so hard to get to! What a privilege and honor to receive two such precious Gifts from our Principal, Beloved Saint Germain—a Gem that will be with me for the rest of my life, that I can wear every day to remind me and connect me to Him and my "I AM" School family; and then a Cape that symbolizes I will be an alumnae of the "I AM" School. What an awesome night it was!

CAMPUS UPDATE:

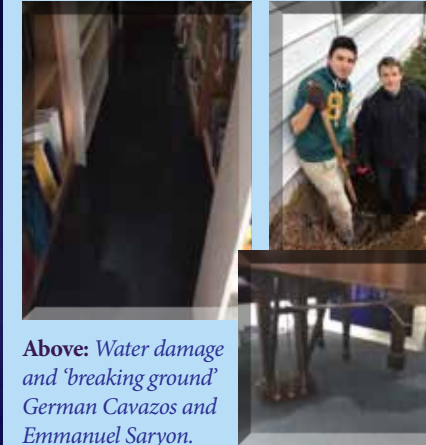

Over the Christmas break, our Beloved "I AM" School encountered a challenging trial—we had an overflow tank in the bathroom—that unfortunately went unnoticed for 5 days. This caused extensive flooding and water damage to our front building, which houses our Sanctuary/Music room and Library/Light Class rooms. Our bells, harps,

grand pianos and all our library shelves and books were water damaged or were affected by the damp. A harrowing clean-up effort ensued!

is born! Below are some images from our combined thoughts as faculty, students and Board of Trustees. One of the key focuses is a dedicated grand Sanctuary for our Assemblies and Sacred Ceremonies with double ceiling height, and a musician mezzanine floor. We are so thrilled to finally have a dedicated space for our Calls to Light!

However, we choose to see this as a thrilling opportunity to focus on how we could rebuild our Beloved School, to enhance all that we do. Hence a new beautiful visualization

We thank you all for your continued support and Decrees to help us manifest this Perfection! "I AM" all the Violet Flame Victory for Beloved Saint Germain's "I AM" School!

KINDERGARTEN!

I am very grateful that our Kindergarten is still in full bloom and expanding! We started out with the lovely sisters, Nicolle (7) and Ellie (5), and just welcomed back Zoey (7 1/2) who had been our first Kindergarten student 2 years ago.

It didn't take Nicolle very long to finish the Kindergarten curriculum which she had started in January of 2017. She is a very fast and eager student and proud to be my first grader now. Ellie has made big leaps as well, especially in her language and reading skills. I continue to use a holistic, Montessori based approach of learning, allowing the children to choose from a wide spectrum of prepared learning materials. We always start the day with a Light Class, learning about our "Mighty I AM Presence," the Ascended Masters and the Angels. Besides practicing their academic skills, the girls enjoy dressing up, pretend play, legos, games and puzzles, all kinds of art explorations,

practical skills like washing, hanging and folding laundry, cooking, baking, window cleaning and sweeping. Social studies revolve around the many holidays that we celebrate and our main focus in science was our studies of the metamorphosis of real caterpillars into butterflies, water in all its different forms, and much more.

Outdoors, the girls help with watering, weeding and raking, enjoy sand/water play, and ball games with the older kids. They love their weekly music lesson with Miss Carol, dancing, singing & instrument parades.

We went on several fieldtrips: to Ashland for a play date with Noelle, story time at the library with excursion to City Park, Pumpkin Patch with the older kids, a trip to Turtle Bay with the elementary kids, and two sledding fieldtrips, one with our younger friends Maddie & Sammi.

I am so thankful to our Master Saint Germain for blessing us with the gift of our precious young children, full of light, love, and enthusiasm.
